How it Works?

1 Select Colleges
Compare and shortlist colleges that you wish to apply

2 Submit form and make payment
Fill the application form once and use for multiple college applications. Also, attach documents and make online payment

3 College receives form
College receives and reviews your form. You get instant update as soon as college reviews the form

4 Get GD/PI Updates
Colleges sends the GD/PI updates. You also track your application status at all the stages of admission process

5 Know your result online
Get updated about the final decision of the college towards your admission application

Shiksha.com facilitates application form submission and tracking throught online process. It does not, however, guarantees admissions. The final decision lies with the college itself.
